

We invite you to attend the

LAKE COUNTY SAFETY EXPO

Presented by:

- The Lake County Safety Council
- The Ohio Bureau of Workers' Compensation (BWC) and
- Lakeland Community College

Wednesday, May 17, 2023

Lake County Safety Expo's goal is to help attendees find out how effective workplace safety and health programs can increase overall productivity at their business or organization.

Attendees may choose from nearly 20 class and informational sessions to learn ways to improve the safety and quality of life of their workplace. They can speak with two dozen vendors and sponsors about safety related equipment and services.

Chad Dunlap will provide a special keynote presentation. "Your View, Your Attitude, Your Life" will help people see what is important in their lives and appreciate the moments that matter. Rather than focusing on the negative aspects of our lives and hoping somehow a positive result will magically appear, he will teach the audience to focus on what really matters. Chad is the owner of - upshiftwithchad.com

Location

Lakeland Community College
7700 Clocktower Boulevard (just off I-90)
Kirtland, OH 44094

Registration

Registration & Breakfast begin @ 7:15 a.m.
